EXPERIENCE

Shaligram Infotech LLP
Full Stack Development

📅 January 01, 2024 – Ongoing 📍 Ahmedabad, India

- Developed strong front-end skills using JavaScript, HTML, CSS, and jQuery, creating interactive and visually appealing web interfaces that enhance user experience.
- Developed strong expertise in SQL, handling complex queries and database operations to support data-driven applications.
- Acquired advanced skills in back-end development using Node.js, following MVC architecture and MongoDB, building robust server-side solutions.

Bhajan Marg (Youtube Channel with 6 million+ subscribers)
Graphics Designer

📅 April 17, 2022 – ongoing 📍 Remote

- Creating visually compelling YouTube thumbnails, logos, and graphics for the "Bhajan Marg" YouTube channel.
- Voluntarily supporting the channel by designing engaging visuals, enhancing its online presence through creatives designed by me, and improving overall user engagement.

PROJECTS

DevSearch - Community For Developers By Developers
Tech Stack: - Bootstrap, Python, Django, SQLite

📅 Duration - 1.5 months (Academic Project)

- DevSearch is the platform where Developers can connect with other fellow Developers, Showcase their portfolio projects, and get valuable reviews and votes(UpVote, DownVote) through our review system.
- With Secured Authentication and Authorization, Developers can also reach out to other fellow Developers via Messaging Module.

Spendify - Budget Management Mobile App
Tech Stack: - Android, Java, Firebase Realtime Database

📅 Duration - 1 month (Academic Project)

- Developed an Android app for efficient income and expense tracking, featuring easy data management including insertion, updating, and deletion of financial records.
- Implemented statistical visualization of daily expenses, date-based data search, and essential financial tools like Income Tax and EMI calculators.
- Enhanced user experience through secure authentication, email verification, low balance alerts, and convenient account management functionalities.

EDUCATION

Master of Computer Applications (CGPA: 9.09/10.00)
Shri Chimanbhai Patel PG Institute of Computer Applications

📅 2022 – present

Bachelor of Computer Applications (CGPA: 8.26/10.00)
L.J. College of Computer Applications

📅 2019 – 2022

TECHNICAL SKILLS

> **Programming**
> Javascript, Java, Python, C, SQL

> **Libraries/Frameworks**
> Node.Js, Django, JQuery

> **Tools/Platforms**
> Git, Github

> **Fundamentals**
> Data Structures and algorithms, OOPS

> **LinkedIn Badges:**
> Javascript, Android, C++, Git, MySQL, OOPS, Python

SOFT SKILLS

Oral and Written Communication

Reliable and Consistent

Committed to Life Long Learning

LIFE PHILOSOPHY

"Quality is not an act; it is a habit."

LANGUAGES

English Hindi Gujarati
